CornerStone Staffing is dedicated to providing JOY to the lives of others and to each other. That's why when life's difficult times strike, The Helping Hands of CornerStone will be there to provide you with help when you need it the most.

What will it do?

Helping Hands of Cornerstone is an emergency fund created to assist team members when catastrophic events occur- such as medical costs, emergency travel costs, accidents or traumatic events. When you need a Hand, a board made up of CornerStone Staffing Colleagues will determine the level of assistance that someone may receive.
